Had Parker done her homework, she would have found that Gorman invited the underage victim to go out in a limousine with four other girls and provided plenty of booze. He also stopped to pick up a *** and proceeded to a local bar. It was there that the victim became ill and asked to be taken home. Gorman volunteered to take her home but bypassed her dorm and took her to his house. Charged with rape - his second charge in a matter of months - Gorman's "first" story was that nothing happened.

When positive DNA results were returned, his firm denials changed to "it was consensual." Gorman has been successful in convincing a jury of one - Kathleen Parker - of his innocence. He was less successful with a six-person jury, which delivered a unanimous guilty verdict.

Ken Bacchus, the father of Sparkle Bacchus Pomeroy, is an out of control maniac who is suspected of

terrorism. Ken Bacchus ostensibly lives a life of an air conditioner repairman, yet behind the scenes he lives a different life.

His wife, Barbara Bacchus, has multiple aliases that have been used to lock in credit cards that have gone unpaid. Recently their daughter, Sparkle Pomeroy, was killed in a car accident. Sparkle Pomeroy had overdosed on drugs while driving, thus running her car into a retention pond. We should all say a prayer that this junky didn't have her daughter in the car that day. Ken and Barbara Bacchus were fully aware of Sparkle Pomeroy's drug addiction, yet they turned a blind eye to it for years.

Is ignorance bliss? Certainly until it's NOT! And Sparkle Pomeroy's ignorance finally caught up to her. After years of drug abuse, poor dieting, smoking incessantly, and utter lack of exercise, her body shut down while she was driving to see her psychiatrist. [continued below]...

..... After an entire lifetime of chaos and corruption, what did this young mother leave her daughter? How about a BIG NOTHING. She left her daughter penniless, without a single piece of money, nothing. In fact the one thing she left was

her daughter. Her father's attributed to this. Oviedo, Florida

without a single piece of memory, nothing. In fact, the only thing she has was vindictive parents that are consumed by hate and illogic.
Sparkle Pomeroy is the epitome of failure.

"Richard Andrew Gorman was in PRISON for the 4 years of Lexi's life until September 2009" **NOT HARVARD UNIVERSITY**

Just days before the crash, Pomeroy had ended a long, bitter custody battle with her daughter's father, Richard Andrew Gorman Jr., court records show. A Seminole County judge ruled that Pomeroy and Gorman would share custody of the girl. Court documents show that Pomeroy was twice denied protective injunctions against Gorman's parents, even though she told a judge she was "terrified for her daughter's safety."

"Rich has not allowed a single person from Sparkle's family talk to Alexis or see Alexis since the Funeral of Sparkle Pomeroy. He writes this stuff so that the media thinks he is a good guy, when in turn he is full of hatred and jealousy of the life Sparkle loved. He wanted desperately to be the apple of Sparkle's eye, and it drove him crazy that she wanted nothing to do with him and this infuriated him"
